Notes to the External Rollover/Transfer form

Important Information

This transfer may close your account (you will need to check this with your FROM fund).

This form can NOT be used to:

- Transfer benefits if you don't know where your superannuation is
- Transfer benefits from multiple funds on this one form – a separate form must be completed for each fund you wish to transfer superannuation from
- Change the fund to which your employer pays contributions on your behalf
- Open a superannuation account, or
- Transfer benefits under certain conditions or circumstances, for example if there is a superannuation agreement under the Family Law Act 1975 in place.

What happens to my future employer contributions?

Using this form to transfer your benefits will not change the fund to which your employer pays your contributions and may close the account you are transferring your benefits FROM.

If you wish to change the fund into which your contributions are being paid, you will need to speak to your employer about Choice. For the appropriate forms and information about whether you are eligible to choose the fund to which your employer contributions are made, visit www.superchoice.gov.au or call the ATO on 13 10 20.

Things you need to consider when transferring your superannuation

When you transfer your superannuation, your entitlements under that fund may cease. You need to consider all relevant information before you make a decision to transfer your superannuation. If you ask for information, your superannuation provider must give it to you. Some of the points you may consider are:

- **Fees** – your FROM fund must give you information about any exit or withdrawal fees. If you are not aware of the fees that may apply, you should contact your fund for further information before completing this form. The fees could include administration fees as well as exit or withdrawal fees. Your TO fund may also charge entry or deposit fees on transfer. Differences in fees funds charge can have a significant effect on what you will have to retire on. For example, a 1% increase in fees may significantly reduce your final benefit.
- **Death and disability benefits** – your FROM fund may insure you against death, illness or an accident which leaves you unable to return to work. If you choose to leave your current fund, you may lose any insurance entitlements you have. Other funds may not offer insurance, or may require you to pass a medical examination before they cover you. When considering a new fund, you may wish to check the costs and amount of any cover offered.

If you require additional information about superannuation, you may wish to visit the Australian Securities and Investment Commission website www.fido.asic.gov.au

You can send your completed and signed form with your certified proof of identity documents to either fund.
